

TheWallich100

Dear Wallich hero,

Thank you for signing up to TheWallich100 Miles in April challenge. We are so happy to have you on the team and can't wait for you to start your challenge.

At The Wallich, we believe that everyone deserves the right to a home, to feel safe, and to feel valued and positive about their future.

Our ground-breaking services work side-by-side with people to help them rebuild their lives and move away from homelessness. Whether that's offering a roof over someone's head, providing specialist mental health and substance use support, or upskilling for the future, we respond to anyone in need.

We cannot provide this support without the generosity and kindness of communities across Wales. Your contribution will help end homelessness in Wales.

Your aim is to raise **£150** by completing 100 Miles in April – once you've received your first **£10** donation on your fundraising page, we'll send out your exclusive *Making Homelessness History* bucket hat and a printed miles tracker, to help count and track your progress every day in April.

Make sure to share a selfie in your bucket hat in the [Facebook group](#) and on your fundraising page! Kickstart your fundraising by donating to your own page and showing friends and family you're serious about this challenge and serious about ending homelessness in Wales.

It's up to you whether walk, run, swim, cycle or complete your miles in any other way – TheWallich100 is all about reaping all the positive wellbeing benefits of daily activity and raising money and awareness of The Wallich to help make homelessness history.

We'll see you in the [Facebook group](#) where we'll be sharing top tips for fundraising, motivation to keep you on track and inspiring stories to help you along.

This is a community challenge, so we would love to hear updates about why you're taking on the challenge and how you're getting on in your journey.

Thank you – you've got this!

Rebeca and the Fundraising team
