

Rough Sleeping: Wrexham

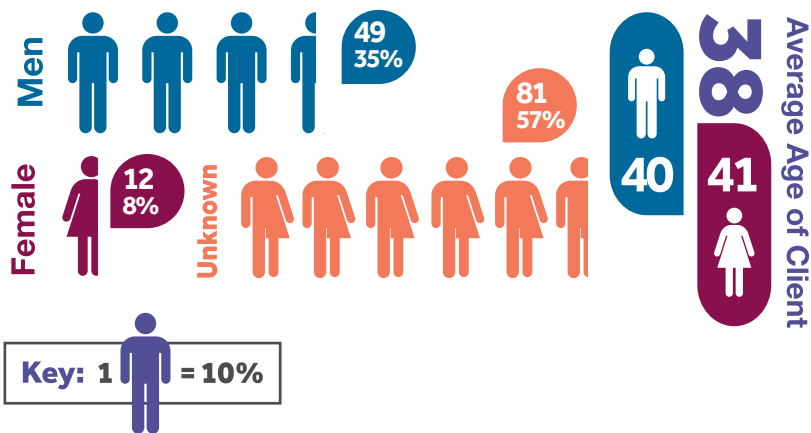

Our Rough Sleepers Intervention Team (RSIT) in Wrexham provides humanitarian aid to rough sleepers. The data collected by the team over the quarter includes the age & gender of those sleeping in the area among other information. This research is not intended to provide absolute figures for rough sleeping in the city but does indicate trends over time in rough sleeping in Wrexham.

Our Wrexham RSIT team has started operating recently; because of this, we cannot compare rough sleeping statistics from this quarter to a previous one. As we build up our numbers, we'll be able to make comparisons.
